

Juliette Balconies by Ultra Aluminum

Ultra Low-Maintenance Juliette Balconies

Well-designed--to be both strong, and visually appealing.

Ultra Juliette Balconies are made in America of strong aluminum alloys, with welded corners, welded balusters, and welded flanges for a secure connection to the building. Ultra Balconies come in a variety of colors, all with a Lifetime Warranty against cracking, chipping or peeling.

All Components

Low-Maintenance
Ultra Aluminum

Never needs
painting

Won't rust, rot,
crack or peel

Easy to Install

Colors

The powder-coated finishes available for Ultra Railing, Gates and Accessories are all applied with a special Ultra™ Powdercoat™ finish to resist harsh weather and heat.

Colors shown represent an approximate comparison and may vary slightly from actual product color.

Gloss or Textured Finishes

Advanced Powercoat™ allows us to produce a high-quality, long-lasting finish, which is also environmentally friendly. Powercoat is twice the thickness and hardness of a typical baked enamel finish, and meets AAMA 2604-6 standards for the ultimate in durability and UV Protection.

Ultra is proud to use recycled aluminum in our products. Aluminum is the most commonly recycled metal in the world. Our Powercoat coating process is environmentally friendly and virtually pollution-free.

Materials

All Ultra railing components are extruded from Ultrum™ 6005-T5 alloy, with a minimum ultimate strength of 35,000 psi. Ultra posts come in a variety of thicknesses, and are also Powercoat™ finished.

Ultra Lifetime Warranty

Ultra Aluminum railing products are guaranteed for life against defects in workmanship and/or materials. The Powercoat™ finish is guaranteed for life against cracking, peeling or chipping.

Visit our website for more information and a copy of the warranty.
