

Glass Railing by Ultra Aluminum

It's Sleek, Beautiful and Low Maintenance.

Plus with Tempered Glass, it Meets Code Requirements.

Add style and protection without blocking out a beautiful view. The outer rail provides a secure hand grip, and completely covers all stainless-steel fasteners for a sleek, hidden-fastened look, in Post-To-Post or Continuous Railing.

- **Super Low-Maintenance Aluminum**
- **Never Needs Painting**
- **Won't Rust, Rot, Crack or Peel**
- **Lifetime Limited Warranty**

Colors

The powder-coated finishes available for Ultra Railing, Gates and Accessories are all applied with a special Ultra™ Powdercoat™ finish to resist harsh weather and heat.

Colors shown represent an approximate comparison and may vary slightly from actual product color.

Gloss or Textured Finishes

Advanced Powercoat™ allows us to produce a high-quality, long-lasting finish on our aluminum, which is also environmentally friendly. Powercoat is twice the thickness and hardness of a typical baked enamel finish, and meets AAMA 2604-6 standards for the ultimate in durability and UV Protection.

Environmentally Responsible

Ultra is proud to use recycled aluminum in our products. Aluminum is the most commonly recycled metal in the world. Our Powercoat coating process is environmentally friendly and virtually pollution-free.

Materials

All Ultra Aluminum components are extruded from Ultrum™ 6005-T5 alloy, with a minimum ultimate strength of 35,000 psi. Ultra posts come in a variety of thicknesses, and are also Powercoat™ finished.

Ultra Lifetime Warranty

Ultra Aluminum products are guaranteed for life against defects in workmanship and/or materials. The Powercoat™ finish is guaranteed for life against cracking, peeling or chipping.
