The powder coating application booth produces zero VOC emissions. Powder is stored and applied in a climate controlled positive pressure environmental room. Ten pre-treat system titration checks twice per shift maintain system parameters and ten QC checks are completed every hour on product coming off the powder-coating line. Parts are not touched by human hands during the pre-treat, dry-off, application and cure process to maintain ultimate cleanliness of powder-coated parts.

DSI is a PCI 4000 certified and verified AAMA 2604 and AAMA 2605 compliant powder coating applicator. The powder coating process is accredited by the American Architectural Manufacturing Association and the Powder Coating Institute. Our powder coating is custom blended from a Super Durable Polyester TGIC (Triglycidyl Isocyanurate) resin-base, using premium pigmentation to meet AAMA 2604 specifications. Our AAMA 2605 is a fluorocarbon polymer resin system.
Standard Colors & Custom Colors
Westbury® Aluminum Railing is offered in a variety of colors and textures to complement your home. Our 12 standard colors include satin, textured and multi-color finishes. Westbury® Aluminum Railing is also available in custom colors to meet your design vision, the possibilities are endless.

AAMA 2604 & AAMA 2605
DSI uses AAMA 2604 rated powder coating on all Westbury® Aluminum Railing. Our PCI-4000 Certified Powder Coating process offers an uncompromising quality created by state-of-the-art technology. AAMA 2605 Powder Coating is also available as an option for your Westbury® Aluminum Railing.
Brackets, Posts, Caps, & Flairs

Westbury® Accessories add the finishing touch to your masterpiece. A variety of post sizes and wall thicknesses add strength to your railing. The combination of mounts and crossover options provides you with the ability to adapt Westbury® railing to your needs. Optional post caps finished off by the convenience of a 2-piece post flair creates a variety of looks.

Testing Results - CCRR-0163 complies with IBC, IRC, and FBC. Note: Please check with local code authorities for requirements.
